Hollender & Co., one of the best known and oldest established importers of beer in the United States, announce the decision of the United States Department of Agriculture to refuse to admit beer in this country marked "Pilsner" unless brewed in the city of Pilsen, and that the only genuine Pilsner beer is imported and controlled by the Fr. Hollender & Co. of New York. The Chicago offices of the well known firm are located at 58-62 Illinois street, and are under the management of Mr. E. Mesch. Mr. Mesch stands high in the estimation of the business men of Chicago, and under his popular and able management the business of Fr. Hollender & Co. has been increasing daily at a surprising rate. Some of the famous beers handled by the company are as follows: Pilsner beer, Warburger beer, Humbler beer, Culmbacher beer. All these beers are from the celebrated breweries of Bohemia and Bavaria. They also handle Allsopp's ale and stout, imported mineral water and the well known beer from Rochester, N. Y.

Col. James Hamilton Lewis will have no trouble in winning the Democratic nomination for United States senator. All factions are with him.

Thomas A. Smyth is making an honest record as President of the Sanitary Board and the people know it.

Col. James Hamilton Lewis will win in a canter for the Democratic nomination for United States Senator.

President of the Sanitary District Thomas A. Smyth holds the confidence and highest respect of the people at all times. They know him to be an honest, fearless and hard-working public official.

Andrew J. Ryan, the well-known and highly respected lawyer and former City Attorney, is one of the men whom Chicago is proud to claim as one of her leading citizens.

No lawyer in Cook county stands higher in the estimation of both bench and bar than William Ritchie.

As president of the sanitary district, Thomas A. Smyth is working at all times in the interests of the taxpayers.

John C. Spry stands foremost among Chicago's leading business men and public spirited citizens.

If the daily newspapers did not publish dope sheets there would be less gambling in Chicago. It looks funny to see a daily paper denouncing book-making on one page and publishing odds on another.

Albert G. Wheeler is, deservedly so, one of Chicago's ablest and leading financiers and business men.

Just keep tab on the aldermen who are working overtime for the telephone company.

Albert J. Hopkins will be Illinois' choice for vice president in 1912.

The A. H. Meyer Company, 35 South Dearborn street, the well-known importers of beer, announce the first arrival of their celebrated Lowenbrau bock beer. This beer is well known to lovers of good beer the world over. The Chicago offices of the A. H. Meyer Co. are under the able and popular management of H. N. Claussen, for fifteen years connected with the Anheuser-Busch Brewing Company. Mr. Claussen has done grand work for the big company he represents and is to be congratulated upon the splendid success it has met with in Chicago.

People looking for a beautiful home in a pretty, healthful and convenient location should pay a visit to beautiful Albany Park, the largest subdivision ever laid out at any one time in Chicago. It is located right at the terminal station of the Ravenswood branch of the Northwestern Elevated Railroad, with the Kedzie and Lawrence stations on the property. Further information can be had at the office of M. J. Faherty, real estate and builder, either at Lawrence and Kimball avenues or at Kedzie and Eastwood avenues.

I am instructed to DETAIN AS MISBRANDED all shipments of beer consigned AFTER DECEMBER 1, 1911, labeled "PILSENER" which DO NOT COME FROM the town of Pilsen, Austria. The attention of Shippers, Importers and Brokers is called to this decision in order that they may act accordingly.

We call the attention of the public to this letter, which we received from the DEPARTMENT OF AGRICULTURE and would advise the public, in as much as they pay for PILSENER BEER, to insist upon getting our GENUINE ARTICLE, which is BREWED in PILSEN, Bohemia.
